Lakhimpur Kheri, (Uttar Pradesh)

SUMMARY

Entry-level Full Stack Developer with hands-on experience in building responsive web applications using HTML, CSS, JavaScript, and React. Familiar with REST APIs, basic authentication, and version control using Git. Looking for a junior developer role where I can apply my skills, learn from real-world projects, and grow as a software professional.

WORK EXPERIENCE

LearnNex, Hyderabad

Dec 2024 – Feb 2025

LearnNex, Hyderabad | Dec 2024 – Feb 2025

- Developed responsive user interfaces using HTML, CSS, and JavaScript
- Implemented UI designs using Bootstrap and Tailwind CSS
- Integrated REST APIs to display dynamic data on web pages
- Used Git and GitHub for version control and team collaboration
- Fixed UI bugs and improved responsiveness across devices

projects

- Built a responsive student portal using JavaScript, HTML, and CSS.
- Implemented features like timetable management, assignment submission, and announcements.
- Used Material UI and Tailwind CSS for modern UI design.
- Integrated REST APIs to fetch dynamic data.
- Ensured mobile responsiveness using CSS Flexbox and Grid.
- Used GitHub for version control and Postman for API testing.
